To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Mason Seay. I have been Mason's hitting coach for over a year. During that time, Mason has consistently demonstrated the character and the work ethic of a guy who wants to be an elite player. He is always on time, focused, and prepared to get better. Beyond working hard during our sessions, Mason is constantly looking for the edge to improve his swing every day.

Mason is easy to be with and a pleasure to work with. Now a days that's not easy to find. He's someone who comes in locked in and focused, from beginning to end, without a problem. Never has a sour attitude. Always in a good mood and ready to go.

The characteristics that Mason displays are the type of characteristics you want in your club. He's competitive and wants to win. As much as he wants to win and be competitive, his desire to be a better baseball player and learn more about the game is what I think is most important.
